## Hotel H10 Port Vell

Pas de Sota Muralla

The hotel is about a 12–25 min walk to the CRG/PRBB (walking along the beach takes longer—but of course is nicer). Otherwise, it's close to the yellow metro line Barceloneta.

**Transport from airport:** the easiest options are taxis (25–35 min to the hotel or PRBB) and the Aerobus (about 40 min from airport to Plaza Catalunya, the **last** stop). The train is a pain at the moment but not impossible if you absolutely have to take a train.

**Taxi:** The fare to the city should not be more than **35€** (taxis in the city are around 6–9€).

**AeroBús (airbus): 5.90€** These buses are very frequent (every 5–10 min), fast, and comfortable. Get off on the last stop at Plaza Catalunya.

<http://www.aerobusbcn.com>

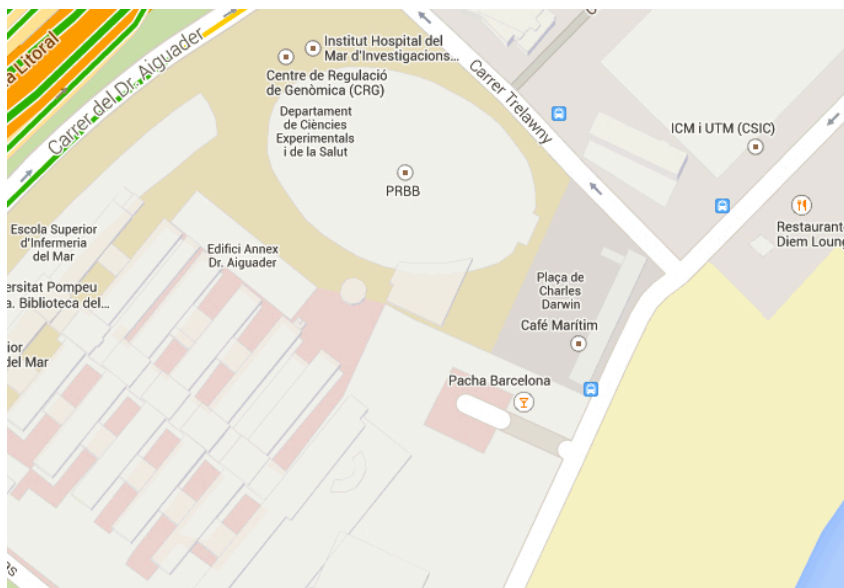

You can walk from Plaza Catalunya to the restaurant the first night; otherwise, you can take the yellow metro line to the Barceloneta metro stop near the hotel.

**Metros and buses:** The easiest is to buy a T10 ticket (9.95€) for 10 trips (one ticket can be used for multiple people) for traveling by metro and buses. You can only buy it in the metro stations. Otherwise, you can always pay for a single-trip (2.15€) ticket directly on a bus or to get into the metro station.

## CRG/PRBB

Our meeting will take place in the **Sala de Juntas**, on the 4<sup>th</sup> floor of the PRBB on the seaside. Coffee and lunch breaks will be **outside** on the 5<sup>th</sup> floor terrace.

You have to register at the reception to enter the PRBB, but they will have your names.

## *Dinner L'Olivé*

The restaurant is close to the yellow metro line Passeig de Gràcia (and Plaza Catalunya).
